

COVID-19 Giving Tuesday NOW - 4/27 to 5/5

Together building a safer more vibrant community today-

- **Donate today** by helping the vulnerable and those in need. With over 600 homeless families in our city, you can make a difference by giving today.
- **Hand Sanitizer** or **Sanitizer Wipes** \$5 buys one 8 oz. bottle or one pack of wipes.
- **Specialized sterilization equipment** Help keep our patrol cars and equipment virus free and our officers healthy. Sterilization and disinfecting systems designed to treat vehicles and equipment that may have been exposed to COVID-19 and other infectious bacteria and viruses are an important part of keeping our officers safe and ready to serve.
- **Each donation is tax deductible.** We are all acutely aware of the increased risks to our first responders. That is why we are asking for your help. Your monetary donation will provide our Chula Vista Police the much needed items to do their job. Keeping the Officers safe from the COVID-19 protects each of us. Our Officers thank you today for your support.
- **Follow us on Facebook and LinkedIn.** Share this message with your friends and family, together we are stronger! Share your stories how our officers have helped you during this crisis.

GOAL to raise \$10,000 April 27-May 5th in One Week

We have the great support of a matching donor.

DONATE NOW

With prayers and gratitude,

***Becky Cortez, Executive Director
Debbie Escobedo, Chair***

**Your contribution is tax-deductible
under Section 501(c)(3) of the IRS
code**

Tax ID # 30-0281686
