United Way Campaign 2020

DID YOU KNOW...

100% of your tax-deductible donation directly benefits the Chula Vista Police Foundation

Through the City's United Way Campaign, employees can contribute to Chula Vista Designated Charities via payroll deductions. Because the contributions are processed internally by City staff, **100% of your donation goes directly to the Chula Vista Police Foundation.** There are no United Way administrative fees.

As the Chief of Police, I am in a unique position to work toward strengthening community bonds and focusing on forming new relationships with organizations, that together with the Chula Vista Police Foundation will make a positive impact on the citizens of Chula Vista. With that partnership in mind, I would like you to consider supporting the Chula Vista Police Foundation via the City's United Way Campaign.

Incorporated in 2003, Chula Vista Police Foundation is a 501(c)(3) organization whose mission is to support law enforcement programs and community events that are not included in the City's budget. Over the last 12 months, the Police Foundation funded the following initiatives to support our Department:

- 4 Interceptor PowerBikes for the Street Team
- 20 ballistic helmets for SWAT
- Outdoor kitchen in PD Courtyard
- Cordico employee wellness app
- 2 Matrice 210 drones
- 2 K-9s & Basic Handler Training
- Upgraded training simulations for VirTra
- GrayKey device license to assist Investigations

For those eight purchases listed above, the Foundation funded over \$160,000 to enhance our police operations. None of these purchases would have been possible without the

support of generous donors like you.

On behalf of the Foundation Board of Directors, special thanks to the seven employees who are currently contributing to the Police Foundation via the United Way campaign: Agent Evelia Kahl, ASM Jonathan Alegre, Lt. Dan Peak, Lt. Gino Grippo, Agent Rosio Gardea, Deputy City Clerk Sheree Kansas, and City Attorney Glen Googins.
