More Than a Best Friend

Chula Vista PD's K-9 Unit and their four legged partners patrol the streets, 24 hours a day, 7 days a week to keep our community safe. The Foundation currently funds supplies, protective vests, and training for six Canines. Your generous contribution helps support this worthwhile program.

2020 begins an exciting new era for the Chula Vista Police Department. With our innovation initiative, come new ideas and a renewed energy to help our department seek ways to strengthen our service to the community. The Chula Vista Police Foundation (CVPF) is deeply engaged in strategic planning to enhance our police department's existing programs and expand ways to better serve our community.

However, our full vision cannot be accomplished without your continued generous support.

On behalf of the Chula Vista Police Department and CVPF, we hope that you will support the many worthwhile programs that are available through the Chula Vista Police Foundation. This year brings new opportunities for sponsors to participate in the Chula Vista Police Department **28th Annual Awards and Recognition Ceremony** held on **May 7, 2020**. Your pledged sponsorship includes various recognition opportunities based upon the sponsorship level of your choice, in addition to a special guest invitation with reserved seating at the Evening with Heroes event being held at the Chula Vista Elite Athlete Training Center in September. Donation pledges must be received by April 7 to be recognized in the Awards Ceremony
