MATTIS & COOPER HAVE JOINED THE PLUSH K9 TEAM!

Mattis is a 1.5 year old Belgian Malinois patrol apprehension / article dog. He will do anything for a tennis ball. He likes eating raw pumpkin pieces and likes to hang out on top of his dog house like a rooster. Mattis is also good at balancing on things.

Cooper is currently the largest Police Service Dog at CVPD, proudly weighing in at 91 lbs. Even though he is the largest K9, Cooper is the sweetest dog we have. Cooper is trained to recognize the odors of methamphetamine, cocaine, heroin, and Ecstasy. Cooper is CVPD's 3rd Labrador Retriever and likes to spend his off time swimming laps in the pool.

Please welcome these 2 partners to the CVPD K9 team!
