August 24th, 2020 the Chula Vista Police Foundation had their Inaugural Golf Tournament-

We had 110 golfers, 7 NFL Alumni playing in our event. There were 4 Eagle Sponsors, 9 Birdie Sponsors 10 Holes Sponsors, 6 Businesses sponsored 6 Foursomes, and 8 Specialized Event Sponsors. Incredible turnout considering all the

COVID restrictions.

The purpose is to raise money to expand the drone program that the west side of Chula Vista has been using with great success for the past 3 years. The growth and development on the east side of the city has created the need to expand the program which will protect the entire city with this advanced technology. Drones First Responders (DFR), has proven to be a game changer for our officers when responding to 911 calls. DFR provides faster response time, superior de-escalation tool, with eyes on the ground, and providing much needed information to officers. To learn more about this technology, watch the attached video at the top of page and click on the link below to learn more.

We would also like to express enormous gratitude to the office of County Supervisor District 1, Greg Cox for the 35,000.00 grant for the purchase of one drone. With the combined monies received, brought the total to 77,000.00. We only need 273,000.00 to reach our goal!

We couldn't have achieved any of this without the support from All our Sponsors and Incredible Volunteers!

Thank you to our Eagle Sponsors at the 4,000.00 level.
