

Looking back on 2020 the COVID year - Moving forward 2021 a year of Hope!

Every person has been touched by COVID-19 either directly or indirectly. This pandemic has changed our lives in ways that none of us could ever have imagined. Yet in the midst of COVID, our Chula Vista Police Officers dressed daily to face the public in sacrifice and service. Chief Kennedy set the bar high by embracing the challenges that faced the department. She stood firm with calm, strength and compassion and safety for all. Next time you see our Men and Women in Blue, please thank them for all they have done and continue to do each day to keep us safe. Let us all pray for a healthy strong and vibrant 2021!

During his 7 years of service, K9 Turbo was an active member in our K9 team and assisted officers on multiple occasion to help keep the community safe. K9 Turbo will enjoy retirement with
